

Where To Stay

The accommodation in the area are listed are on what we see and what we feel they offer for disabled people, we are not a rating guide if you want to know there rating you can check the hotel or the tourist information websites listed in this guide.

The access facilities and service provided by the hotels listed varies from good to bare minimum.

We recommend that you check that your own requirements can be met before making reservations at any accommodation.

One Voice welcomes your comments on the accommodation listed here together with comments on other accommodation that you may have used.

The National Accessibility Scheme (NAS) is a nationwide grading which indicates the accessibility of accommodation.

NAS - Mobility 1:

Typically suitable for a person with sufficient mobility to climb a flight of steps but would benefit from fixtures and fittings to aid balance

NAS - Mobility 2:

Typically suitable for a person with restricted walking ability and for those that may need to use a wheelchair some of the time.

NAS - Mobility 3:

Typically suitable for a person who depends on the use of a wheelchair and transfers unaided to and from a wheelchair in a seated position

Note: the absence of the grading symbol does not necessarily indicate that accommodation is not suitable to your own requirements.
